PC-827

SCALDING AGENT

WARNING

Causes eye irritation.
Prevention: Wash face, hands and any exposed skin thoroughly after handling.
Response: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Read SDS before using this product.

PC-827 is a liquid hog scalding compound designed to loosen and soften hair follicles for easy hair removal.

DIRECTION FOR USE: Add 2 to 8 ounces of PC-827 per every 100 gallons of water in the scalding tank. All ingredients in this product are approved for use in the preparation of meat products as specified in CFR Title 9, section 424.21 and must be removed by subsequent cleaning operations.
