

# BOOSTED-PRESSURE PUMP CARTS

## FEATURES

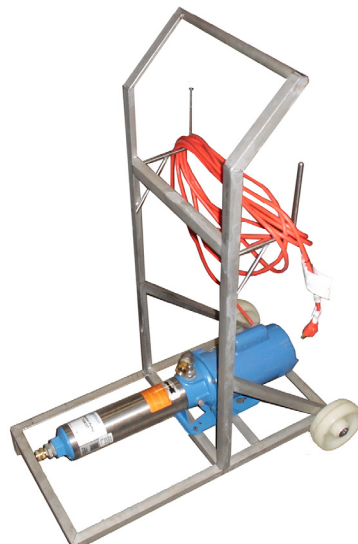

- ▶ Portable one-hose, two-hose or four-hose design
- ▶ Operators can foam and rinse simultaneously on carts with foamer
- ▶ Industrial grade casters and ergonomic handle allow for ease of movement
- ▶ Flow and pressure protection monitoring built in to ensure longevity of the pump
- ▶ Motor overcurrent protection will stop pump in the event excess current is drawn
- ▶ Gauge to display discharge pressure

## 2 AND 4-HOSE CART ADDITIONAL FEATURES

- ▶ Inlet side strainer
- ▶ Flow and back pressure detection

## SPECIFICATIONS

- ▶ 9 GPM at 120 PSI boost (1 hose)
- ▶ 20 GPM at 200 PSI boost (2 hose)
- ▶ 40 GPM at 120 PSI boost (4 hose)

## PRODUCT ORDERING

Various options based on voltages, hoses and foaming feature

	Item #	VAC	PH
1-Hose Pump Cart 3/4" HP	91152	120	1
Replacement Pump	91956		
2-Hose Pump Cart, Rinse Only	91154	220	1
	91155	230	3
	91157	460	3
2-Hose Pump Cart, Rinse & Foam	91149	220	1
	91156	230	3
	91158	460	3
4-Hose Pump Cart, Rinse Only	91159	230	3
	91151	460	3
4-Hose Pump Cart, Rinse & Foam	91160	230	3
	91161	460	3
