

EZ-310

ENZYMATIC CLEANER/DEGREASER

WARNING

May cause skin and eye irritation. Prevention: Wash face, hands and any exposed skin thoroughly after handling. Wear eye protection and protective gloves. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF ON SKIN (or hair):** Rinse skin with water/shower.

Recommended First Aid: IF SWALLOWED: Do NOT induce vomiting. Clean mouth with water and drink afterwards plenty of water. Never give anything by mouth to an unconscious person. **IF INHALED:** Remove to fresh air. Consult a doctor if necessary

Read SDS before using this product.

EZ-310 is a powerful, odorless enzymatic cleaner/degreaser for cleaning of greasy and/or soiled surfaces. Recommended for cleaning of walls, floors, equipment work surfaces, etc. Can also be used in manual applications and floor-scrubber machines. EZ-310 is highly concentrated and non caustic. It breaks down and eliminates all kind of organic residues found in food processing facilities: starch, grease, proteins.

DIRECTIONS FOR USE: Prepare 6-13 oz per 10 gallons of hot water (95-140°F) solution. Apply to surfaces by spraying, soaking or brushing on. Let dwell for 15 minutes for in-depth soil removal. Rinse thoroughly with potable water. For food-contact surfaces, follow with a disinfecting/ sanitizing step and for all other surfaces, disinfect/sanitize if needed.

This product is acceptable for use in all department of Federally Inspected meat, poultry, and general food processing plants.
