

# EZ-360

## ENZYMATIC FOAMING DETERGENT

### WARNING

**May cause skin and eye irritation. Prevention:** Wash face, hands and any exposed skin thoroughly after handling. Wear eye protection and protective gloves. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF ON SKIN (or hair):**

Rinse skin with water/shower.

**Recommended First Aid: IF SWALLOWED:** Do NOT induce vomiting. Clean mouth with water and drink afterwards plenty of water. Never give anything by mouth to an unconscious person. **IF INHALED:** Remove to fresh air. Consult a doctor if necessary.

Read SDS before using this product.

EZ-360 is an enzymatic foaming detergent designed for cleaning of equipment, walls, floors, and difficult to access areas. EZ-360 breaks down and eliminates various organic soils found in food processing facilities: starch, grease, proteins.

**DIRECTIONS FOR USE:** Prepare 7-25 oz per 10 gallons of hot water (95°F-140°F) solution. Apply by foaming apparatus. For best results allow the foam to sit on surfaces for 15 to 30 minutes. Rinse thoroughly with potable water. For food-contact surfaces, follow with a disinfecting/sanitizing step and for all other surfaces, disinfect/sanitize if needed. This product is acceptable for use in all department of Federally Inspected meat, poultry, and general food processing plants.
