

EZ-381

ENZYMATIC DRAIN AND PIPE CLEANER

WARNING

May cause skin and eye irritation. Prevention: Wash face, hands and any exposed skin thoroughly after handling. Wear eye protection and protective gloves. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF ON SKIN (or hair):** Rinse skin with water/shower.

Recommended First Aid: IF SWALLOWED: Do NOT induce vomiting. Clean mouth with water and drink afterwards plenty of water. Never give anything by mouth to an unconscious person. **IF INHALED:** Remove to fresh air. Consult a doctor if necessary.

Read SDS before using this product.

EZ-381 is an enzyme-based drain and pipe cleaner. It provides preventative and curative treatment to avoid blockage in pipes. This product eliminates clogging and slow flow in pipes and drains. It removes various organic residue by hydrolysing and liquefying organic matter. EZ-381 is not corrosive to piping systems.

DIRECTIONS FOR USE:

For slow drainage (initial treatment) use 6-13 ounces of EZ-381 per outlet.

For maintenance use 50 ml of EZ-381 per outlet 1-2 times a week. Dilute the product in 1 quart of hot water (95-105°F). Pour directly into the outlet. Repeat as often as needed. Could be applied via automatic dispensing apparatus.

This product is acceptable for use in all department of Federally Inspected meat, poultry, and general food processing plants.
