

TECHNICAL DATA GRADE & YIELD BROWN

Description:

Grade & Yield Brown is a concentrated, high quality, fast drying branding ink for identifying grades and marking other information on meat carcasses or portions thereof. Also may be used for denaturing eggs found to be unsuitable for human consumption.

Physical Properties:

Appearance - Dark brown liquid
Odor - Alcohol
Density - 7.39 pounds per gallon

Directions for Use:

Use undiluted for stamping carcasses from ink pads by conventional method. May dilute in certain situations when full strength may be excessive, as in denaturing application.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.

Safety:

Warning! Flammable. Keep away from ignition sources and incompatible materials. Eye irritant, avoid contact with eyes. In case of eye contact, immediately rinse eyes with plenty of water. Prolonged or repeated contact may cause skin irritation. If on skin, rinse with plenty of water. Avoid inhalation of vapors.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Keep container closed and store in a cool, dry place.
