

GREENALL

GREEN DENATURANT

WARNING

Causes eye irritation. Prevention: Wash face, hands and any exposed skin thoroughly after handling. **Response: IF IN EYES:** Rinse

cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Additional Precautions: Contact with skin and clothing will cause staining. Use hand protection while handling.

Read SDS before using this product.

Greenall is for denaturing carcasses, parts thereof, meat and meat food products intended for disposal for purposes other than human food.

DIRECTIONS FOR USE: Dilute 1 part Greenall with approximately 16 parts water, or about 8 ounces Greenall per gallon of water. Apply diluted product to meat carcasses and by-products to indicate unsuitability for human consumption. Deposit in all portions of the carcasses, parts thereof, meat and meat food products to the extent necessary to prevent its use for human food.
