Additional Precautions: Corrosive! Contains sodium hydroxide.

Read SDS before using this product.

HD Laundry Booster is a concentrated alkaline builder and water conditioner. It is designed for use as a laundry detergent booster.

DIRECTIONS FOR USE: Dilution rate will depend on fabric to be cleaned, water quality, degree and type of soil, usually 4-8 ounces of HD Laundry Booster per load. Adjust the amount as needed for smaller or heavily soiled loads. The final operation of the laundry cycle must be potable water rinse sufficient to remove all added substances from the laundered fabric.
