

TECHNICAL DATA

KC-130

Description:

KC-130 is industrial/institutional liquid dishwashing detergent for automatic dishwashers. It has excellent soil removing properties and water softening capabilities.

Physical Properties:

Appearance – Clear yellow liquid

Odor – Mild

pH, 2% solution – 10-11

Density – 10.2 pounds per gallon

Foaming – Low

Rinsing – Excellent

Directions for Use:

Scrape off excess food from dishes. Fill both the pre-wash and main cups completely with KC-130. For burnt or baked on soils and tough to clean dishes, soak first in water with 1 tbsp. KC-130 per gallon of warm water, then load into dishwasher.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.

Safety:

Contact with eyes and skin might cause irritation. Avoid contact with eyes, skin and clothing. Keep out of reach of children.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Keep container closed and store in a cool, dry place.
