

KC-204

GENERAL CLEANER

WARNING

Causes eye irritation. Prevention: Wash face, hands and any exposed skin thoroughly after handling. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Recommended First Aid: IF ON SKIN (or hair): Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. Wash contaminated clothing and shoes before reuse. Get medical attention if irritation develops and persists. **IF INHALED:** Remove to fresh air. Immediate medical attention is not required. **IF SWALLOWED:** Do NOT induce vomiting. Drink plenty of water. Never give anything by mouth to an unconscious person. Call a physician immediately.

KC-204 is a high foaming, all-purpose cleaner and degreaser, which contains no phosphates. It can be used as a foaming additive for caustic or acid cleaning solution. KC-204 may be applied by brush or through foaming units on equipment, utensils, walls and floors in all departments of meat, poultry and general food processing.

DIRECTION FOR USE: Use 1/2 gallon of KC-204 per 50 gallons of hot water (140°F). Apply with brush or from foaming device and let stand. Rinse with clean water. When using as a foaming additive, use 1-3 ounces per gallon of cleaning solution.
