

KC-210 DEGREASER

RAIL AND RAIL SUPPORT CLEANER

DANGER

Causes skin irritation. Causes eye irritation. May cause an allergic skin reaction. May be fatal if swallowed and enters airways. Flammable liquid and vapor. Prevention: Wash

KC-210 Degreaser is D-Limonene based cleaner designed for degreasing and cleaning of tools, equipment, industrial floors, machinery, trolley rails and rail support structures in USDA inspected facilities. Use of KC-210 Degreaser requires no scrubbing, or other abrasive action. D-Limonene, a citrus based solvent, provides excellent grease-cutting ability without the objections often associated with petroleum-based solvents.

face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing dust/fume/gas/mist/vapors/spray. Contaminated work clothing should not be allowed out of the workplace. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. **Response:** Specific treatment (see Section 4 on SDS). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical advice/attention. Wash contaminated clothing before reuse. **IF SWALLOWED:** Immediately call a poison center or doctor. Do NOT induce vomiting. **In case of fire:** Use CO₂, dry chemical, or foam for extinction. **Storage:** Store locked up. Store in a well-ventilated place. Keep cool. **Disposal:** Dispose of contents/container to an approved waste disposal plant.

DIRECTIONS FOR USE: May be used in a concentrated form for tough cleaning tasks, or mixed with water (up to a 10:1 dilution) to clean light to moderate soils. Rinse area to be cleaned with hot water (100-140°F) to remove gross soil. Apply liberally to surfaces as a spray or mist, or wipe on. Hand held garden sprayers and spray bottles are adequate for use at low pressure. Allow the product to remain on surfaces without scrubbing for 5 minutes. Then simply rinse surfaces with potable water. High pressure water is recommended, but house pressure is adequate. Heavily greased surfaces may require a second application.

Do not use this product on rubber, latex paint, marble, leather, or asphalt at any dilution.

Do not use this product on plastic surfaces in a concentrated form. Use on plastic in diluted form may be acceptable; pretesting on a small area is required.

Read SDS before using this product.
