

KC-267

GENERAL CLEANER

Causes severe skin burns and eye damage.

Prevention: Do not breathe dusts or mists. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. **Response:** Immediately call a poison center or doctor. Specific

DANGER

treatment (see Section 4 on SDS). **IF IN EYES:** Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Rinse mouth. DO NOT induce vomiting.

Storage: Store locked up.

Disposal: Dispose of contents/container to an approved waste disposal plant.

DIRECTION FOR USE: Rinse area to be cleaned with hot water (100°F-140°F) to remove gross soil. Use 1 to 4 ounces of KC-267 per gallon of hot water (100°F-140°F). Apply with brush or through a foaming device and let stand. Thoroughly rinse with potable water to remove all residue. KC-267 may be used in all departments of meat, poultry and general food processing plants.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected. This product should not come into direct contact with meat, shell eggs, or other food products.

Read SDS before using this product.
