

KC-295

KC-295 is an effective liquid hand washing product.

FEATURES

- ▶ Contains no harsh irritants yet performs as a heavy-duty hand cleaner
- ▶ Foaming — High
- ▶ Rinsing — Excellent
- ▶ Effective in water up to 400 ppm hardness

DIRECTIONS FOR USE

- ▶ Wet hands.
- ▶ Place 5 cc (approximately one teaspoon) of KC-295 in palm of hand and add 15 CC (approximately one tablespoon) of water. Rub hands together to create lather.
- ▶ Wash palm to palm, back of hands, fingers, thumbs, fingernails and wrists. Rub hands together for at least 20 seconds.
- ▶ Rinse hands thoroughly with water.
- ▶ Dry hands.
- ▶ For best results, follow hand washing with an application of hand sanitizer.
- ▶ *Note: For use in food processing plants, best practice is to repeat this process each time upon entering the production area, prior to handling food and/or food processing equipment.*
