KC-404 is a high-foaming, heavy duty liquid cleaner blended from powerful acid and special surface active agents to provide rapid soil attack and ease of rinsing. KC-404 may be used in foaming units on equipment, walls, and floors and in all departments of meat, poultry and general food processing plants.

DIRECTIONS FOR USE: Rinse area to be cleaned with hot water to remove gross soil. Use 2-8 ounces of KC-404 per gallon of hot water (100°F-140°F). Spray from foaming device and let stand. Rinse with clean water. KC-404 may be used in all departments of meat, poultry and general food processing plants.
