

KC-406

NON-FOAMING ACID CLEANER

DANGER

Fatal if inhaled. Causes severe skin burns and eye damage. May cause cancer upon inhalation of strong inorganic acid mists. May intensify fire; oxidizer.

Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Use personal protective equipment as required. Do not breathe mists. Use only outdoors or in well-ventilated area. Wear respiratory protection. Wash face, hands and any exposed skin thoroughly after handling. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep/Store away from clothing/combustible materials. Take any precaution to avoid mixing with combustibles. **Response:** Specific treatment is urgent (see Section 4 on SDS). Immediately call a poison center or doctor. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Rinse mouth. DO NOT induce vomiting. **In case of fire:** Use CO2, dry chemical, or foam for extinction. **Storage:** Store locked up. Store in a well-ventilated place. Keep container tightly closed. **Disposal:** Dispose of contents/container to an approved waste disposal plant.

A strong acid-based cleaner for removing alkali scale, hard water buildup, and rust from metal surfaces of food processing equipment. Especially effective for cleaning tripe washers.

DIRECTIONS FOR USE: Use 1 to 5 ounces per gallon of 100°F-140°F water to remove non-organic soils by brush, circulation, pressure spray or soaking and to neutralize residual alkalinity on food plant equipment. It may also be used for brightening of stainless steel and aluminum surfaces. This product should not come into direct contact with meat, shell eggs, or other food products. After use thoroughly rinse surfaces with potable water to remove all residue.

Additional Precautions: Oxidizer! Corrosive! Contains phosphoric and nitric acid.

Read SDS before using this product.
