

KC-435

STAINLESS STEEL DESCALER/DESTAINER

DANGER

Causes severe skin burns and eye damage. May damage fertility or the unborn child. Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Do not

An organic acid salt cleaner for removing scale, buildup, and stains from surfaces. Effectively removes alkaline product build up. Safe for use on aluminum*, stainless steel and most other metals when used according to instructions.

DIRECTIONS FOR USE: Use 8 to 16 ounces per gallon of hot water (100-140°F). Apply by low mist spraying or soaking, let soak for about 5 minutes. Do not let chemical dry on surfaces. Rinse thoroughly with potable water.

* Due to large number of grades of aluminum, they all respond differently to cleaning. It is recommended that KC-435 be first tested in an inconspicuous spot before applying to large areas.

breathe dusts or mists. Wash face, hands and any exposed skin thoroughly after handling. **Response:** Immediately call a poison center or doctor. Specific treatment (see Section 4 on SDS). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Rinse mouth. DO NOT induce vomiting.
