

# KC-45

## DEGREASING CLEANER AND ADDITIVE

**DANGER**

**Causes severe skin burns and eye damage.**

**Prevention:** Do not breathe dusts or mists. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. **Response:** Immediately call a poison center or doctor. Specific treatment (see Section 4 on SDS). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately

call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing and shoes before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Rinse mouth. DO NOT induce vomiting.

**Storage:** Store locked up.

**Disposal:** Dispose of contents/container to an approved waste disposal plant.

KC-45 is a powerful medium foaming cleaner and degreaser. KC-45 can be used alone for cleaning and degreasing of concrete, tile, steel and other heavy duty industrial floors or as an additive to other cleaners for a boost in cleaning and degreasing performance. KC-45 may be applied by brush or through foaming units on equipment, walls and floors in all departments of meat, poultry and general food processing plants.

**DIRECTION FOR USE:** Dilute 1 to 16 ounces of KC-45 per gallon of water for use as a floor, wall or equipment cleaner. Please contact your PSSI Chemical Innovations' Representative for information on how to use KC-45 as a degreasing additive.

Product is intended for use on stainless steel appliances and most plastics, and is not compatible with aluminum or other soft metals. Consult your PSSI Chemical Innovations' Representative for more information regarding material compatibility.

Read SDS before using this product.
