

KC-48 GEL IT

QUAT BASED GEL

WARNING

Causes eye irritation. Prevention: Wash face, hands and any exposed skin thoroughly after handling. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Recommended First Aid: IF ON SKIN (or hair): Rinse skin with water. Get medical attention if irritation develops and persists. Wash contaminated clothing and shoes before reuse. **IF SWALLOWED:** Do NOT induce vomiting. Clean mouth with water and drink afterwards plenty of water. Never give anything by mouth to an unconscious person.

Read SDS before using this product.

KC-48 Gel It is a gel compound that can be used on a variety of surfaces. It is especially effective on porous surfaces or surfaces that frequently become wet due to condensation or splashing water. Will not attack concrete or painted surfaces.

DIRECTIONS FOR USE: Apply a thin coat of KC-48 Gel It to horizontal or vertical surfaces or to drains. If applied to drains, allow it to remain on surface for 30 minutes before allowing water to run through drain. Reapply as necessary. KC-48 Gel It can applied using a paintbrush or short nap roller. KC-48 Gel It is easily removed during routine cleaning.
