

KC-544

CHLORINATED POWDERED CLEANER

DANGER

Causes severe skin burns and eye damage. Harmful if swallowed, inhaled, or in contact with skin. Prevention: Wash face, hands and any exposed skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye protection/face protection.

Heavy-duty chlorinated powdered cleaner with medium to high foaming properties. Possesses excellent cleaning and water conditioning ability. KC-544 may be used for foam cleaning of food processing equipment in all departments of meat, poultry and general food processing plants.

DIRECTION FOR USE: Rinse area to be cleaned with hot water to remove gross soil. Use 2-4 ounces of KC-544 per gallon of water. Apply by spray, mop or through foaming equipment. Rinse thoroughly with potable water. Do not use on aluminum or other soft metals.

Use only outdoors or in a well-ventilated area. Do not breathe dusts or mists. **Response:** Specific treatment (see Section 4 on SDS). Immediately call a poison center or doctor. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Immediately call a poison center or doctor. Wash contaminated clothing before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Immediately call a poison center or doctor. Rinse mouth. DO NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container to an approved waste disposal plant.

Additional Precautions: Corrosive! Contains sodium hydroxide and sodium dichlorisocyanurate.

Read SDS before using this product.
