SAFETY DATA SHEET

Version 1

Revision Date 26-Jan-2023

Revision Date 26-Jan-2023			
1. IDENTIFICATION OF THE	SUBSTANCE/PREPAR	ATION AND OF THE COMP	ANY/UNDERTAKING
Product identifier			
Product Name	DRAIN SOLUTION,	KC-636 5" STRIPS	
Other means of identification	DIVAN SOLUTION,		
Product Code	30010		
Recommended use of the chemica			
Recommended Use	Drain strip 5"		
Uses advised against		on the label when applying this pro	oduct
Details of the supplier of the safet			
Manufacturer Address			
Safe Foods Chemical Innovations			
1501 E. 8 th Street			
North Little Rock, AR 72114			
Emergency telephone number			
Company Phone Number	501-758-8500		
Emergency Telephone	Chemtrec 1-800-424-9300		
	2. HAZARDS IDE	NTIFICATION	
Classification			
OSHA Regulatory Status			
This chemical is considered hazardo	us by the 2012 OSHA Hazard		
Skin corrosion/irritation			Sub-category B
Serious eye damage/eye irritation		Category 1	
abal alamanta			
Danger Hazard statements	Emergency (amage	Dverview

				TWA: 1900 mg/m ³			
Appropriate engineering control	<u>s</u>						
Engineering Controls	Showers. Eyewash stations						
Individual protection measures,							
Eye/face protection	Wear safety glasses with sig						
Skin and body protection	Neoprene or rubber gloves are recommended. Normal work clothing (long sleeved shirt an						
	long pants) is recommended	d.					
Respiratory protection	No protective equipment is needed under normal use conditions.						
General Hygiene Considerations	Wash face, hands and any exposed skin thoroughly after handling. Wash contaminated						
	clothing and shoes before reuse. Do not eat, drink or smoke when using this product.						
	9. PHYSICAL AND CHE	MICAL F	PROPERTIES				
Information on basic physical ar	nd chemical properties						
Physical state	Solid						
Appearance	Yellowish, brown polymer m	natrix with	Odor	Fresh scent			
	encapsulated actives						
Color	Yellowish brown		Odor threshold	No information available			
Property	<u>Values</u>		Remarks • Method				
pH	7		±1 @ 21°C (2% solution)				
Melting point/freezing point	0 °C / 32 °F		,				
Boiling point / boiling range	No information available						
Flash point	No information available						
Evaporation rate	No information available						
Flammability (solid, gas)	No information available						
Flammability Limit in Air							
Upper flammability limit:	No information available						
Lower flammability limit:	No information available						
Vapor pressure	No information available						
Vapor density	1						
Specific Gravity	1						
Water solubility	Timed release of actives.						
Solubility in other solvents	No information available						
Partition coefficient	No information available						
Autoignition temperature	No information available						
Decomposition temperature	No information available						
Kinematic viscosity	No information available						
Dynamic viscosity	No information available						
Explosive properties	No information available

US Federal Regulations

SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372 SARA 311/312 Hazard Categories

Acute health hazard	Yes
Chronic Health Hazard	No
Fire hazard	No
Sudden release of pressure hazard	No
Reactive Hazard	No

CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

US State Regulations

California Proposition 65

Ethyl alcohol is only a considered a Proposition 65 developmental hazard when it is ingested as an alcoholic beverage

Chemical	Name	California Proposition 65		
Ethyl alcohol	- 64-17-5	Carcinogen	Developmental	
U.S. State Right-to-Know Regula	tions

U.S. EPA Label Information

EPA Pesticide Registration Number 68114-1-63679

EPA Statement

This chemical is a pesticide product registered by the Environmental Protection Agency and is subject to certain labeling requirements under federal pesticide law. These requirements differ from the classification criteria and hazard information required for safety data sheets, and for workplace labels of non-pesticide chemicals. Following is the hazard information as required on the pesticide label.

16. OTHER INFORMATION							
NFPA	Health hazards	2	Flammability	1	Instability 0		Physical and Chemical Properties None
<u>HMIS</u>	Health hazards	2	Flammability	1	Physical hazards	0	Personal protection A (safety glasses)

Company name	update.						

Disclaimer

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The health hazards given on this SDS apply to this product in its concentrated form (as supplied) and may differ significantly at use dilution. The signs and symptoms of exposure apply only to negligence in handling or misuse of the concentrated product and not to the routine exposure of the diluted product under conditions of ordinary use.
