

TECHNICAL DATA

DRAIN SOLUTION

KC-636 5" Strip

Description:

KC-636 Drain Solution is ready to use solid quat blocks with a controlled dissolution rate to provide a steady supply of detergent to floor drains to reduce the incidence of blockage and slime formation. KC-636 Drain Solution controls odors resulting from standing water in traps and around drain areas. KC-636 Drain Solution also could be used in drain pans of cooling units such as refrigerators and air conditioners.

Physical Properties:

Appearance - Blue liquid

Odor - Fresh scent

pH - 6-8

Solubility in water - Times release of actives

Directions for Use:

See product label for directions for use.

Safety:

DANGER! Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin or on clothing. In case of skin contact, flush skin with water. In case of eye contact, flush eyes with water for at least 15 minutes and call a physician. Wash thoroughly with soap and water after handling.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Store in a cool, dry place.
