| Total..... | 100.0% |

KEEP OUT OF REACH OF CHILDREN

DANGER

KC-636

500 BK-28 @ 1.13 Ounces Each

Net contents 35.31 Lbs.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DRAIN SOLUTION is for use in the drain pans of many cooling units such as air conditioners and refrigerators. Also for use in toilet bowls and urinals. Controls foul smelling odors caused by mildew, fungi, bacteria, algae and slime. For use in hotels, motels, schools, colleges, hospitals, nursing homes and airports. Effective against odor-causing bacteria. For use in floor drains found in food processing plants, bars & restaurants. **DRAIN SOLUTION** can be formed into rings fitting the floor drains. **DRAIN SOLUTION** is a controlled release product that easily fits into most air conditioners or refrigerator drip pans or the water tank of your dehumidifier. Because of the controlled release mechanism, **DRAIN SOLUTION** will last up to six months effectively maintaining clean water and inhibiting the foul odors caused by mildew. Heavier than normal use may require replacement in less than six months for best results. **DRAIN SOLUTION** provides a pleasant odor as it works.

Not for use in heat vaporizing or atomizing type vaporizing humidifiers.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER, CORROSIVE: Causes irreversible eye damage and skin burns. Do not get in eyes, on skin or on clothing. Wear protective eyewear (goggles, face shield, or safety glasses), protective clothing, and rubber gloves when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

Store in original container in areas inaccessible to children. Do not store on side. Avoid creasing or impacting of side walls. Do not reuse empty container. Discard in trash or recycle.

GENERAL: Consult federal, state or local disposal authorities for approved procedures such as limited open burning.
