

TECHNICAL DATA

ORANGE QD

Description:

Orange QD is a concentrated, high quality, fast drying branding ink for identifying grades and marking other information on meat carcasses or portions thereof.

Physical Properties:

Appearance - Orange liquid

Odor - Alcoholic

Density - 7.43 pounds per gallon

Directions for Use:

Use undiluted for stamping carcasses from ink pads by conventional method. This product may be diluted in certain situations when full strength may be excessive, as in denaturing application.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.

Safety:

Danger! Flammable. Keep away from ignition sources and incompatible materials. Eye irritant, avoid contact with eyes. In case of eye contact, immediately rinse eyes with plenty of water. Prolonged or repeated contact may cause skin irritation. If on skin, rinse with plenty of water. Avoid inhalation of vapors.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Keep container closed and store in a cool, dry place away from ignition sources.
