

TECHNICAL DATA

OXYCIP 7.5

Description:

Oxycip 7.5 is an effective bleaching and cleaning additive for safe use on most surfaces. It's odor-free, non-toxic, readily biodegradable, and environmentally friendly.

Physical Properties:

Appearance – Clear Colorless liquid
Odor - Odorless
pH, concentrate – 6.5
Density – 8.60 pounds per gallon

Directions for Use:

Mix 1 part of Oxycip 7.5 with 1 to 3 parts of warm or hot water (32-64 oz. per 1 gallon of water). Apply to surfaces by spraying or soaking to whiten plastic belts, tubs, cutting boards, and utensils. Thoroughly rinse with potable water after use. For more information, please contact your Safe Foods Chemical Innovations' Representative.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.

Safety:

DANGER! Corrosive! Contains Hydrogen Peroxide. Use proper personal protective equipment when handling. Contact with eyes and skin will cause severe irritation and possible burns. Avoid contact with eyes, skin and clothing. In case of skin contact, flush skin with water. In case of eye contact, flush eyes with water for at least 15 minutes and call a physician.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Keep container closed and store in a cool, dry place. Never return unused product to the original container. Containers must be vented. Do not contaminate water, food or feed by storage and disposal.
