### WARNING

measures against static discharge. Wear protective gloves/protective clothing/eye protection/face protection. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. In case of fire: Use CO<sub>2</sub>, dry chemical, or foam for extinction.

**Storage:** Store in a well-ventilated place. Keep cool.

**Disposal:** Dispose of contents/container to an approved waste disposal plant.

Premium water soluble shackle and conveyor lubricant, effective in a variety of meat, poultry and food processing environments. PC-720 contains ingredients that are either GRAS or approved for contact with food products, therefore allowing for use in applications with incidental food contact.

**DIRECTION FOR USE:** Dilute PC-720 with water from 1:5 to 1:35 depending on conveyor speed and load. PC-720 should be applied by spray systems designed for lube application.

**ADDITIONAL PRECAUTIONS:** Flammable! Keep away from ignition sources and incompatible materials. Before using this product, food products and packaging materials must be removed from room or carefully protected. Do not store with strong oxidizing agents. Keep out of reach of children. This product contains denatured ethanol which might produce toxic effects if ingested.

Read SDS before using this product.
