

PC-805

ODOR NEUTRALIZER

WARNING

Causes serious eye irritation. May cause an allergic skin reaction. Prevention: Wash face, hands and any exposed skin thoroughly after handling. Avoid breathing dust/fume/gas/mist/vapors/spray. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves/eye protection/face protection.

Response: Specific treatment (see Section 4 on

SDS). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF ON SKIN:** Wash with plenty of water and soap. If skin irritation or rash occurs: Get medical advice/attention. Wash contaminated clothing before reuse. **Disposal:** Dispose of contents/container to an approved waste disposal plant.

PC-805 is a true odor eliminator for industrial use with fresh floral scent. The product acts by attaching itself to the nitrogen groups commonly found in most odors such as smoke, body odors, urine, garbage odors and ammonia.

PC-805 is safe for use on most hard surfaces, it is non-corrosive and non-staining.

DIRECTIONS FOR USE: Apply PC-805 to the source of bad odor by spraying. Mist the odorous area slightly. Periodical reapplication might be needed. The frequency will depend on the amount of odorous material and ambient conditions. More frequent application in hot and sunny conditions will be needed.

All food products and packaging must be carefully protected or removed before application of this product.

Read SDS before using this product.
