

PC-980

TECHNICAL WHITE OIL

May be fatal if swallowed and enters airways.
Response: IF SWALLOWED: Immediately call a poison center or doctor. DO NOT induce vomiting.
Storage: Store locked up. **Disposal:** Dispose of contents/container to an approved waste disposal plant.

DANGER

Specially blended technical white oil for use as a lubricant and rust preventative for food processing machinery. Meets USDA H-1 requirements allowing for incidental food contact.

DIRECTION FOR USE: Spray onto clean food processing equipment prior to production to provide rust and corrosion control. Excess should be removed prior to production.

Recommended First Aid: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
IF ON SKIN (or hair): Rinse skin with water. Get medical attention if irritation develops and persists. Wash contaminated clothing before reuse. **IF INHALED:** Remove to fresh air. Consult a doctor if necessary.

Additional Precautions: Avoid water contamination and extreme temperature to minimize product degradation.

Read SDS before using this product.
