

PC-995 CL

DANGER

Causes eye irritation. May be fatal if swallowed and enters airways. Prevention: Wash face, hands and any exposed skin thoroughly after handling. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF SWALLOWED:** Immediately call a poison center or doctor. Do NOT induce vomiting.

Storage: Store locked up.

Disposal: Dispose of contents/container to an approved waste disposal plant.

Recommended First Aid: IF ON SKIN (or hair): Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. Wash contaminated clothing and shoes before reuse. Get medical attention if irritation develops and persists. **IF INHALED:** Remove to fresh air. Administer oxygen if breathing is difficult. Aspiration into lungs can produce severe lung damage. Call a physician immediately.

SHACKLE AND CONVEYOR LUBRICANT

PC-995 CL is a mineral oil, fatty acid, and fatty acid soap based shackle and conveyor lubricant for use in a variety of meat, poultry and other food processing environments. PC-995 CL protects bearing surfaces of conveyors against excessive wear and assures smooth operation. Meets USDA H-1 requirements allowing for incidental food contact.

DIRECTION FOR USE: PC-995 CL creates stable emulsion when mixed with water, allowing application of a thin, uniform lubricant layer onto the surfaces to eliminate dripping. Dilute with water as needed up to 1 part of PC-995 CL per 9 parts of water. Dilution depends on the level of lubrication required and individual system requirements. For more information, contact your Safe Foods Chemical Innovations' Representative.

ADDITIONAL PRECAUTIONS: This product may combust at high temperatures. Avoid water contamination to minimize product degradation. Keep container closed. Avoid contact of this product with strong oxidizing agents. Do not store at temperatures above 120°F or in direct sunlight for extended periods of time.
