PSSI CHEMICAL INNOVATIONS

Revision Date:
January 2022

CONTINUED LETTER OF GUARANTEE
PACKERLUBE E

PSSI Chemical Innovations hereby guarantees that PACKERLUBE E is safe and effective under the intended conditions of use as outlined on the Product Label and Technical Data Sheet. Each shipment of PACKERLUBE E shall be:

1. **Not adulterated or misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act, as amended, and not an article which may not, under provisions of section 404 or 505 of such Act, be introduced into interstate commerce.**
2. **In compliance with the FDA Food Safety Modernization Act of 2011 (FSMA).**
3. **In compliance with all Federal, State and Local laws, rules and regulations regarding labeling contents, weights, or other essential declarations.**
4. **Not an article which cannot be legally transported or sold under the provisions of any Federal, State, or local law.**
5. **Produced in compliance with the Fair Labor Standards Act, as amended, and the provisions and regulations of such Act.**

This article is formulated to be safe and appropriate for the intended use and complies with guidance set forth in Sanitation Standards Compliance Guide, in which Food Safety Inspection Service presents or references methods proven to be effective in maintaining sanitary conditions in meat, poultry, dairy, and general food processing establishments.

PACKERLUBE E could be used in areas and applications in food plants where incidental food contact is possible. PACKERLUBE E is made of food grade materials or/and materials that meet FDA requirements for incidental food contact. Therefore, this product meets old USDA H-1 requirements, allowing for incidental food contact.

The guarantees given herein are continuing and shall be in full force and effect until revoked in writing.
