

TECHNICAL DATA

PACKERS' BLEND-NK

Description:

Packers' Blend-NK is heavy duty trolley oil for use in batch or tank systems in beef slaughter plants. Packers' Blend-NK is formulated to adhere to metal surfaces under condition of extreme heat and moisture.

Physical Properties:

Appearance – Colorless viscous liquid

Odor – Odorless

Density – 7.26 pounds per gallon

Directions for Use:

Dip trolleys in a tank of hot oil (100-140°F) for a minimum of 10 seconds. Let the excess oil drip off. For more information, please contact your Safe Foods Chemical Innovations representative.

Safety:

Do not store with strong oxidizing agents. Keep out of reach of children.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Avoid water contamination and extreme temperatures to minimize product degradation. Do not store at temperatures above 120°F or in direct sunlight for extended periods of time. Keep container closed.
