

TECHNICAL DATA

RED G&Y

Description:

Red G&Y is a concentrated, high quality, fast drying branding ink for identifying grades and marking other information on meat carcasses or portions thereof. Also may be used for denaturing eggs found to be unsuitable for human consumption.

Physical Properties:

Appearance - Dark red liquid

Odor - Alcohol

Density - 7.13 pounds per gallon

Directions for Use:

Use undiluted for stamping carcasses from ink pads by conventional method. May dilute in certain situations when full strength may be excessive, as in denaturing application.

Safety:

Danger! Flammable. Keep away from ignition sources and incompatible materials. Eye irritant, avoid contact with eyes. In case of eye contact, immediately rinse eyes with plenty of water. Prolonged or repeated contact may cause skin irritation. If on skin, rinse with plenty of water. Avoid inhalation of vapors.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Keep container closed and store in a cool, dry place away from ignition sources.
