

# TRIPEMAX B

## FOOT AND TRIPE WASH

### DANGER

**Causes severe skin burns and eye damage. Harmful if swallowed.**

**Prevention:** Do not eat, drink or smoke when using this product. Do not breathe dusts or mists. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/

eye protection/face protection. **Response:** Immediately call a poison center or doctor. Specific treatment (see Section 4 on SDS). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Rinse mouth. DO NOT induce vomiting. Call a poison center or doctor if you feel unwell.

**Storage:** Store locked up. **Disposal:** Dispose of contents/container to an approved waste disposal plant.

**DIRECTIONS FOR USE:** Tripemax B is a beef foot and tripe wash product that contains special chelating and sequestering ingredients to aid in cleaning and hair removal. It is to be used at ratio of 1 to 8 ounces per gallon of water. Adjustments to usage ratio might be needed. Tripemax B could be used as a pH adjuster in scalding tanks of pork processing operation.

Please contact your Safe Foods Chemical Innovations' Representative for assistance with directions for use and usage ratio for your application.

When mixing with water, slowly add this product to water to minimize heat generation and spattering.

Read SDS before using this product.
