

# TRIPLEX

## FOR TRIPE CLEANING AND SCALDING

**DANGER**

**Harmful if inhaled. Causes severe skin burns and eye damage. May cause respiratory irritation. Prevention:** Use only outdoors or in a well-ventilated area. Do not breathe dust/fume/gas/mist/vapors/spray. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face

Tripex is a superior formula for effective cleaning and scalding of tripe, without shrinking or destroying the texture. Best results are obtained when Tripex is used with Bleachex 101 oxygen bleaches.

**DIRECTIONS FOR USE:** For manual use, add approximately 4 pounds of Tripex per load to the cleaning cycle. Use on tripe must be followed by a thorough rinse with potable water to remove all residues. Contact your PSSI Chemical Innovations' representative for more information.

protection. **Response:** Immediately call a poison center or doctor. Specific treatment (see Section 4 on SDS). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Rinse mouth. DO NOT induce vomiting.

**Storage:** Store locked up. Store in a well-ventilated place. Keep container tightly closed.

**Disposal:** Dispose of contents/container to an approved waste disposal plant.

**Additional Precautions:** Contains sodium and calcium hydroxides.

Read SDS before using this product.
