

TECHNICAL DATA

TROLLEX 50

Description:

Trollex 50 is a powdered alkaline trolley cleaner. It is dustless, free flowing and has good water solubility. Trollex 50 contains a blend of penetrating, wetting, emulsifying and sequestering agents to effectively remove soil and rust from trolleys.

Physical Properties:

Appearance - White to tan granules

Odor - Mild Alkaline

pH, 2% solution - >13

Foaming - Low

Rinsing - Excellent

Directions for Use:

Trollex 50 is normally diluted at the rate of 2-12 ounces per gallon of water depending upon the soil to be removed, the temperature of the cleaning bath and the time allowed for cleaning.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.

Safety:

Contains sodium hydroxide. Do not mix with acids. Do not use on aluminum or other soft metal surfaces. Contact with eyes and skin might cause burns. Avoid contact with eyes, skin and clothing. Avoid breathing dust or mist from solutions.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Keep container closed and store in a cool, dry place.
