

TROLLEX VGK-2

POWDERED VGK TROLLEY CLEANER

DANGER

Harmful if inhaled. Causes severe skin burns and eye damage. Prevention:

Use only outdoors or in a well-ventilated area. Do not breathe dusts or mists. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

Response: Immediately call a poison

Trollex VGK-2 is a powdered chlorinated alkaline trolley cleaner specifically designed for cleaning VGK trolleys. It is a free flowing powder and with good water solubility. Trollex VGK-2 contains a blend of alkalis and water conditioning agents to effectively remove soil and rust from trolleys.

DIRECTIONS FOR USE: Use about 1 to 6 ounces per gallon of water in the VGK trolley cleaning tank, depending on the amount of soil present. Rinse VGK trolleys thoroughly with potable water after cleaning. For more information contact your Safe Foods Chemical Innovations' Representative.

center or doctor. Specific treatment (see Section 4 on SDS). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Rinse mouth. DO NOT induce vomiting.

Storage: Store locked up.

Disposal: Dispose of contents/container to an approved waste disposal plant.

Additional Precautions: Corrosive! Contains sodium carbonate and sodium dichlorisocyanurate.

Read SDS before using this product.
