Re: CONTINUING PRODUCT QUALITY FDA GUARANTEE

The article(s) comprising all shipments or other deliveries hereafter made by Enviro Tech Chemical Services Inc, Modesto, CA or Helena, AR, to or on the order of your company, are hereby guaranteed as to their continuous and mandated compliance, as of the date of such shipment, as specified by the Federal Food, Drug and Cosmetic Act or any amendment thereto or within the meaning of any state food or drug law, and specifically the Food Additives Amendment thereto, and furthermore that:

1. They are articles which may, under the Provisions of Sections 404 and 505 of the Federal Act, be introduced into interstate commerce.
2. All products offered or delivered from our company shall be fully approved for food plant usage in accordance with the Code of Federal Regulations, Title 21, and the USDA where applicable.
3. No ingredients or packaging used in the manufacture of products intended for use as "Food Grade" shall contain materials or ingredients derived from genetically modified or altered organisms, nor will the ingredients used be of a quality or origin suspected of being an allergen.
4. All ingredients used in our products, where food contact is imminent or possible, will be derived from the appropriate food grade ingredients.
5. This article is safe and effective under conditions of use as described on product label instructions, and if continued to be used, handled and stored properly, will not adulterate food products or create unsanitary conditions.

This guarantee is continuing and shall be in full force and effect until revoked in writing, and shall include the following items purchased from Enviro Tech Chemical Services, Inc.:

1. Bac Stop 3A

The above-named product(s) may be safely used in federally inspected seafood, meat, poultry, fruit, vegetable, pulp and paper, and beverage establishments in accordance with label instructions. These products also meet all guidelines established by the USDA for use in these federally inspected facilities.

Sincerely,
