

# SAFETY DATA SHEET

Revision Date 24-Feb-2023

Version 1

1. IDENTIFICATION OF THE	SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING
Product identifier	
Product Name	PSSI E-SAN
	F331 E-3AN
Other means of identification	000.44
Product Code	20044
Recommended use of the chemical	
Recommended Use	Antiseptic hand sanitizer
Uses advised against	Follow the directions for use on the label when applying this product
Details of the supplier of the safety	data sheet
Manufacturer Address	
Safe Foods Chemical Innovations	
1501 E. 8th Street	
North Little Rock, AR 72114	
Emergency telephone number	
Company Phone Number	501-758-8500
Emergency Telephone	Chemtrec 1-800-424-9300
	2. HAZARDS IDENTIFICATION
Classification	
OSHA Regulatory Status	
	s by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)
Flammable liquids	Category 2
Serious eye damage/eye irritation	Category 2
	Calegoly 2A
Label elements	Emergeney Overview
	Emergency Overview
DANGER	
Hazard statements	
Highly flammable liquid and vapor	
Causes serious eye irritation	
Physical state Liquid	Color Clear Odor Alcoholic
Precautionary Statements - Prevent	
Keep away from heat/sparks/open flar	
Keep container tightly closed	
Ground/bond container and receiving	equipment
Use only non-sparking tools	
Take precautionary measures against	static discharge
Use explosion-proof electrical/ventilati	
Wear eye/face protection	igning of a priority
Precautionary Statements - Respon	62
	er for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing
If eye irritation persists: Get medical ad	
IN CASE OF FIRE: Use CO2, dry che	
Precautionary Statements - Storage	
Store in a well-ventilated place. Keep	
Precautionary Statements - Disposa	
Dispose of contents/container to an ap	
Hazards not otherwise classified (H	NUC)
Not applicable	
Other Information	
Not applicable	
3. CC	MPOSITION/INFORMATION ON INGREDIENTS

Chamical Na		CAS No				
Chemical Na Ethanol	ime	CAS No. 64-17-5	Volume-% 80%			
Glycerol		56-81-5	1.45%			
Hydrogen perc	vide	7722-84-1	0.125%			
Tiydrogen perc			0.12376			
	4.	FIRST AID MEASURES				
First aid measures						
Eye contact		rinse slowly and gently with water for 15				
	advice/attention.	5 minutes, then continue rinsing eye. If	eye initation persists. Get medical			
Skin contact For accidental exposure to large quantities, not normal usage. Rinse skin with water. Get						
attention if irritation develops and persists.						
Inhalation						
	immediately.					
Ingestion		niting. Drink plenty of water. Never give	anything by mouth to an unconscious			
•• •• • • •	person. Call a phys					
Most important symptoms an						
Symptoms		symptom information.				
Indication of any immediate r Note to physicians	Treat symptomatica					
		-				
		RE-FIGHTING MEASURES				
Suitable extinguishing media						
Dry chemical. Water spray (fog						
Unsuitable extinguishing		vater spray when fighting fire may be ine	efficient.			
Specific hazards arising from		Vapara are beaution than air and mout	travel to course of ignition and flach			
back. Vapors may form explosi		e. Vapors are heavier than air and may	laver to source of ignition and hash			
Hazardous combustion p		oxides				
Explosion data						
Sensitivity to Mechanical	Impact None.					
Sensitivity to Static Disch						
Protective equipment and pre	-	nters				
		us pressure-demand, MSHA/NIOSH (ap	pproved or equivalent) and full			
		ies of water until well after fire is out.				
	6. ACCID	ENTAL RELEASE MEASURES				
Personal precautions, protec	tive equipment and	emergency procedures				
Personal precautions	Use personal prote	ction recommended in Section 8. Ensure				
		e precautionary measures against station	c discharges.			
For emergency responders	Isolate area. Keep	unnecessary personnel away.				
Environmental precautions		additional and a signification of the Descent	4 4			
Environmental precautions		additional ecological information. Prever	it entry into waterways, sewers,			
Methods and material for con	basements or confi					
Methods for containment		age or spillage if safe to do so. Absorb	with dry earth, sand or other			
	non-combustible m		· , · · · , · · · · · · · · · · · · · ·			
Methods for cleaning up		iction, heat, sparks or flames. Use clear				
		Collect spillage. Sweep up and shovel in	nto suitable containers for disposal.			
	Following product r	ecovery, flush area with water.				
	7. HA	ANDLING AND STORAGE				
Precautions for safe handling						
Advice on safe handling		heat, sparks, or flame. Take precaution	ary measures against static			
5		eat, drink or smoke when using this pro				
	recommended in Section 8. Avoid contact with eyes. Use only in well-ventilated areas. Avoid					
		mists. Handle in accordance with good	industrial hygiene and safety practice.			
Conditions for safe storage, i						
Storage Conditions		e all applicable regulations and fire code				
Incompatible materials		entilated place. Keep at temperatures b	etween 40 - 100°F (4 - 38°C).			
Incompatible materials		ents. Inorganic acids. Halogens.				
	8. EXPOSURE C	ONTROLS/PERSONAL PROTE	CTION			
Control parameters						
Exposure Guidelines						

	ACGIH TLV	OSHA PEL	NIOSH IDLH		
Ethanol	STEL: 1000 ppm	TWA: 1000 ppm, 1900 mg/m <sup>3</sup>	IDLH: 3300 ppm

	9. PHYSICAL AND CH	IEMICAL PROPERTIES			
nformation on basic physical and	chemical properties				
Physical state	Liquid				
Appearance	Aqueous solution	Odor	Alcoholic		
Color	Clear	Odor threshold	No information available		
Property	<u>Values</u>	<u>Remarks</u> • Metho	d		
pH	Not applicable				
Melting point / freezing point	No information available				
Boiling point / boiling range	No information available				
Flash point	~ 13 °C /~ 55 °F	Pensky-Martens Clo	osea Cup (PMCC)		
Evaporation rate	No information available				
Flammability (solid, gas) Flammability Limit in Air	No information available				
Upper flammability limit:	No information available				
Lower flammability limit:	No information available				
Vapor pressure	No information available				
Vapor pressure Vapor density	No information available				
Specific Gravity	0.860-0.885 g/cc				
Water solubility	Soluble in water				
Solubility in other solvents	No information available				
Partition coefficient	No information available				
Autoignition temperature	No information available				
Decomposition temperature	No information available				
Kinematic viscosity	No information available				
Dynamic viscosity	No information available				
Explosive properties	No information available				
Oxidizing properties	No information available				
VOC Content (%)	77.4%				
	10. STABILITY A	AND REACTIVITY			
Reactivity					
No data available					
Chemical stability	154				
Stable under recommended storage					
Possibility of Hazardous Reaction	<u>s</u>				
None under normal processing.	None under normal areas	and and a second s			
Hazardous polymerization	None under normal proce	essing.			
Conditions to avoid					
Heat, flames and sparks.					
I <b>ncompatible materials</b> Strong oxidizing agents. Inorganic ad	cide Halogens				
Strong oxidizing agents, morganic ad Hazardous Decomposition Produc					
Carbon oxides.	<u>,13</u>				
		CAL INFORMATION			

Information on likely routes of exposure

Product Informatio Inhalation	n	Inhalat	tion of high concentration	as of vanor or mist may	cause irrite	ation of the respi	ratory tract
minaidtion		Inhalation of high concentrations of vapor or mist may cause irritation of the respirate headaches, dizziness, nausea, vomiting, and malaise.				ומנטוץ נופטו,

#### US Federal Regulations

# SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372 SARA 311/312 Hazard Categories

ARA OT HOTE HAEAR Outogonico	
Acute health hazard	Yes
Chronic Health Hazard	No
Fire hazard	Yes
Sudden release of pressure hazard	No
Reactive Hazard	No

#### CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

#### **CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

## US State Regulations

## California Proposition 65

Ethyl alcohol is only a considered a Proposition 65 developmental hazard when it is ingested as an alcoholic beverage **U.S. State Right-to-Know Regulations**

<u>Disclaimer</u>

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The health hazards given on this SDS apply to this product in its concentrated form (as supplied) and may differ significantly at use dilution. The signs and symptoms of exposure apply only to negligence in handling or misuse of the concentrated product and not to the routine exposure of the diluted product under conditions of ordinary use.
