

## TECHNICAL DATA

### PSSI E-SAN

**Description:**

PSSI E-San is an 80% v/v antiseptic hand sanitizer. It is blended using United States Pharmacopoeia (USP) grade ingredients. PSSI E-San is used to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.

**Physical Properties:**

Appearance – Clear liquid

Odor – Alcoholic

Density – 7.17 – 7.39 pounds per gallon

Rinsing – Good

Active ingredient - Ethanol

**Directions for Use:**

Place enough PSSI E-San on hands to cover all surfaces. Rub hands together until dry. Supervise children under 6 years of age when using this product to avoid swallowing.

**Safety:**

Danger! Flammable! Keep away from ignition sources and incompatible materials. Causes eye irritation. In case of eye contact, immediately rinse with plenty of water. Do not use on open skin wounds.

Read Safety Data Sheet (SDS) before using this product.

**Storage:**

Store in a cool place away from areas of high heat, flames or potential sparks. Empty containers may be discarded in trash after rinsing with water. Store between 59-86°F. Avoid freezing.
