Storage: Store locked up.

Disposal: Dispose of contents/container to an approved waste disposal plant.

Additional Precautions: Corrosive! Contains hydrogen peroxide. Never return unused product to the original container. Containers must be vented.

Read SDS before using this product.

DESCRIPTION: Deep cleaning detergent additive for use with Deep Clean 1000. When mixed with Deep Clean 1000, it creates powerful hard surface cleaning solution for use on equipment, walls, floors and other surfaces in the food processing environment. Provides an effective deep cleaning that penetrates hard to reach areas, lifts and removes soils.

DIRECTIONS FOR USE: To make 45 gallons of solution, mix 10 gallons of Deep Clean 1000 with 25 gallons of water. Slowly add 10 gallons of Deep Clean 1010. Mix well. Apply with foaming equipment to surfaces. Let dwell. Rinse with water.

To make 100 gallons of solution, mix 22.2 gallons of Deep Clean 1000 with 55.6 gallons of water. Slowly add 22.2 gallons of Deep Clean 1010. Mix well. Apply with foaming equipment to surfaces. Let dwell. Rinse with water.

For cleaning of heavily contaminated areas, mix Deep Clean 1000 and Deep Clean 1010 in equal ratios. Let dwell. Rinse with water.
