

TECHNICAL DATA

FB-1261

Description:

FB-1261 is a non-foaming CIP cleaner. FB-1261 is designed for safe use on aluminum surfaces. The combination of ingredients in this mixture, make it a powerful cleaner for smoke residues, light vegetable and animal fats and oils, and surface soils. FB-1261 may also be used as a general cleaning agent on equipment, utensils, etc. in all departments of meat, poultry and general food processing plants.

Physical Properties:

Appearance - Clear liquid

Odor - Mild sweet odor

pH, as is - 13@26 °C

Density - 8.95 pounds per gallon

Foaming - None

Rinsing - Excellent

Directions for Use:

Rinse area to be cleaned with hot water (100-140°F) to remove gross soil. Use 2-6 ounces of FB-1261 per gallon of hot water (100-140°F). Circulate for 10 minutes. Drain. Rinse well with water.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.

Safety:

Avoid contact with skin and eyes. Eye irritation may result from direct contact. Prolonged skin contact may cause skin irritation.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Keep container closed and store in a cool, dry place.
