HIGH FOAMING CAUSTIC CLEANER

KC-562 is a high foaming caustic cleaner with premium detergency to quickly and efficiently remove fat, oil, and protein soils from food processing equipment. Especially suitable for use with automatic conveyor cleaning equipment due to its superior foaming characteristics. KC-562 may be used in all departments of meat, poultry and general food processing plants.

DIRECTIONS FOR USE: Dilute with hot water (approximately 120-140°F) at 4-12 ounces KC-562 per gallon. Apply to surfaces by spraying or foaming. Let sit for 10-20 minutes. Rinse with potable water to remove all residue.

Note: Do not use KC-562 on aluminum or other soft metals.
