

TECHNICAL DATA

PC-807

Description:

PC-807 is a powdered floor treatment product used to prevent slipping in non-food areas of processing plants. PC-807 contains oil of citronella to effectively control odors and to reduce insect attraction. It is phosphate-free and non-corrosive to metal and concrete surfaces. PC-807 is not a replacement for an effective cleaning program.

Physical Properties:

Appearance - White powder

Odor - Citronella

pH, 2% solution - 7-8

Rinsing - Excellent

Directions for Use:

Apply in thin layers on food plant flooring, either manually or through the use of a drop spreader. Rinse off and reapply as needed. This product should not come into direct contact with edible meat, shell eggs, or other food products.

Safety:

Read Safety Data Sheet (SDS) before using this product.

Storage:

Keep container closed and store in a cool, dry place.
