

## TECHNICAL DATA

### SPIRALCLENZ™ 2400

#### Description:

SpiralClenz™ 2400 is an acid cleaning product for membrane systems. It's based on nitric acid for fast and efficient removal of inorganic soil and scale.

#### Physical Properties:

Appearance - Clear, colorless liquid

Odor - Sour

pH, concentrate - 1

Density - 10.00 pounds per gallon

Foaming - None

Rinsing - Excellent

#### Directions for Use:

SpiralClenz™ 2400 is normally diluted to 0.3% solution depending on the soil type to be removed. This product is approved for use with enzymes, alkaline, and acid cleaning products. Contact your Safe Foods Chemical Innovations Sales and Service Representative for use recommendations.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected. This product should not come into direct contact with meat, shell eggs, or other food products.

#### Safety:

Danger! Oxidizer! Fatal if inhaled. May cause cancer upon inhalation of strong inorganic acid mists. May intensify fire. Causes severe skin burns and eye damage. Avoid contact with skin and eyes.. In case of skin contact, flush skin with water. In case of eye contact, flush eyes with water for at least 15 minutes and call a physician. Wash thoroughly after handling.

Read Safety Data Sheet (SDS) before using this product.

#### Storage:

Keep container closed and store in a cool, dry place.
