

# KC-554

## HEAVY-DUTY CAUSTIC CLEANER

### DANGER

**Causes severe skin burns and eye damage. Harmful if swallowed.**

**Prevention:** Wear protective gloves/protective clothing/eye protection/face protection. Wash face, hands and any exposed skin thoroughly after handling. Do not eat, drink or smoke when using this product. Do not breathe dusts or mists.

**Response:** Immediately call a poison center or doctor. Specific treatment (see Section 4 on SDS). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. **IF SWALLOWED:** Call a poison center or doctor if you feel unwell. Rinse mouth. DO NOT induce vomiting.

**Storage:** Store locked up.

**Disposal:** Dispose of contents/container to an approved waste disposal plant.

**Additional Precautions:** Corrosive! Contains sodium hydroxide.

**Read SDS before using this product.**

KC-554 is a premium, highly concentrated low foaming cleaner and degreaser. Contains chelating agents and surfactants. Eliminates the need for additional wetting agents and water conditioners. KC-554 provides fast soil penetration, emulsification and free rinsing to speed cleaning process. KC-554 may be used in CIP and COP applications in all departments of meat, poultry, and general food processing plants.

**DIRECTIONS FOR USE:** Use 0.5 to 3 ounces of KC-554 per gallon of 140-160°F water. Dilution rate depends upon soil to be removed, water temperature and time allowed for cleaning. Contact your PSSI Chemical Innovations representative for detailed use instructions.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.

Note: This product is not safe on soft metals, galvanized and painted surfaces.
