

FB-1263

HIGH FOAMING, ALL PURPOSE CLEANER

WARNING

Causes serious eye irritation. Prevention: Wash face, hands and any exposed skin thoroughly after handling. Wear eye protection/face protection. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Recommended First Aid: IF ON SKIN (or hair): Remove contaminated clothing. Rinse skin with water. **IF SWALLOWED:** Do NOT induce vomiting. Drink plenty of water. Never give anything by mouth to an unconscious person.

Read SDS before using this product.

FB-1263 is a high foaming, all-purpose cleaner and degreaser, which contains no phosphates or VOC's. FB-1263 can be used as a base concentrate with adding acid or alkaline boosters. FB-1263 may be applied by brush, through a foaming device or by soaking on equipment, utensils, walls and floors in all departments of meat, poultry, dairy, and general food processing plants.

DIRECTION FOR USE: Rinse area to be cleaned with water to remove gross soils. Use 1 to 4 ounces of FB-1263 per gallon of water. Apply with brush, through a foaming device or by soaking and let stand. Rinse with potable water. When using as a concentrate, always add water in between the FB-1263 and the acid or alkaline booster. Before use in federally inspected meat, and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.
