

FB-1559

SCALE INHIBITOR

DANGER

Causes serious eye damage. Causes skin irritation. May cause damage to organs through prolonged or repeated exposure. Harmful if inhaled. May be corrosive to metals. **Prevention:** Wear protective gloves/protective clothing/eye protection/face protection. Wash face, hands and any exposed skin thoroughly after handling. Do not breathe dusts or mists. Use only outdoors or in a well-ventilated area. Keep only in original container. **Response:** Specific treatment (see Section

4 on SDS). Immediately call a poison center or doctor. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. **IF ON SKIN:** Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell. **SPILL:** Absorb spillage to prevent material damage. **Storage:** Store locked up. **Disposal:** Dispose of contents/container to an approved waste disposal plant.

Additional Precautions: Corrosive! Contains ethylenediaminetetraacetic acid tetrasodium salt and sodium hydroxides.

DIRECTIONS FOR USE: Dilute FB-1559 at 0.1-1.0 oz per gallon of water. Apply through COP or CIP apparatus, as an additive to alkaline wash step. Follow with a potable water rinse to remove all residue. Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected

Recommended First Aid: IF SWALLOWED: Do not induce vomiting. Have a conscious victim drink water to dilute. Never give anything by mouth to an unconscious person.
