Read SDS before using this product.

Oxycip 7.5 is an effective bleaching and cleaning additive for safe use on most surfaces. It's odor-free, non-toxic, readily biodegradable, and environmentally friendly.

DIRECTIONS FOR USE: Mix 1 part of Oxycip 7.5 with 1 to 3 parts of warm or hot water (32-64 oz. per 1 gallon of water). Apply to surfaces by spraying or soaking to whiten plastic belts, tubs, cutting boards, and utensils. Thoroughly rinse with potable water after use. For more information, please contact your PSSI Chemical Innovations' Representative.

Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected.
