

TECHNICAL DATA

CC-404

Description:

CC-404 is a high-foaming, heavy-duty liquid cleaner, blended from powerful acid and special surface active agents to provide rapid soil attack and ease of rinsing. CC-404 is for use on equipment, walls, and floors in meat, poultry, and general food processing plants.

Physical Properties:

Appearance – Red liquid
Odor – Solvent
pH, as is – < 1.0 @ 21 °C
Density – 1.18 kg/L
Foaming – Excellent
Rinsing – Excellent

Directions for Use:

Rinse area to be cleaned with hot water to remove gross soil. Use 15-60 mL of CC-404 per 1 Litre of hot water (38°C - 60°C). Spray from foaming device and let stand. Scrub with brush or similar device if needed. Rinse with potable water to remove all residue.

Safety:

Danger! Corrosive. Toxic if inhaled. Causes severe skin burns and eye damage. Contains phosphoric acid. Avoid contact with eyes, skin or clothing. Avoid breathing vapors or mists. In case of eye contact, flush eyes with water for at least 15 minutes and call a physician. In case of skin contact, flush skin with water and consult a physician if symptoms develop and persist. Wash thoroughly after handling. Read SDS before using this product.

Read Safety Data Sheet (SDS) before using this product.

Storage:

Keep containers tightly closed in a dry, cool, and well-ventilated place. Keep from freezing. This product will maintain its physical character and efficacy when stored closed at moderate temperatures, between -2°C and 40°C.
