

PC-806

ODOR NEUTRALIZER

WARNING

Causes serious eye irritation. Prevention: Wash face, hands and any exposed skin thoroughly after handling. Wear eye protection/ face protection. **Response: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

PC-806 is a true odor eliminator for industrial use. The product acts by attaching itself to the nitrogen groups commonly found in most odors such as smoke, body odors, urine, garbage odors and ammonia. PC-806 is safe for use on most hard surfaces, it is non-corrosive and non-staining.

DIRECTIONS FOR USE: Apply PC-806 to the source of bad odor by spraying. Mist the odorous area slightly. Periodical reapplication might be needed. The frequency will depend on the amount of odorous material and ambient conditions. More frequent application in hot and sunny conditions will be needed.

Additional Precautions: Causes mild skin irritation.

Recommended First Aid: IF ON SKIN (or hair): Rinse skin with water. Get medical attention if irritation develops and persists. Wash contaminated clothing and shoes before reuse.

All food products and packaging must be carefully protected or removed before application of this product.

Read SDS before using this product.
