ID #22501

SpiralClenz™ 2501 is a specially formulated liquid non-chlorinated heavy-duty membrane alkaline cleaning product. It is designed for cleaning of reverse osmosis, nanofiltration, ultrafiltration, and microfiltration membranes.

DIRECTION FOR USE: SpiralClenz™ 2501 is normally diluted to a 0.3-0.5% solution depending on the soil type to be removed. This product is approved for use with enzymes, alkaline, and acid cleaning products. Contact your Safe Foods Chemical Innovations Sales and Service Representative for use recommendations. Before use in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from room or carefully protected. This product should not come into direct contact with meat, shell eggs, or other food products.
